

# ***Do you experience racial microaggressions?***

Racial microaggressions are brief and commonplace daily verbal, behavioural and environmental indignities that while either intentional or unintentional, communicate hostility to a target person or group.

***If you are an international student studying in Australia, we want to hear from you!***

***Be a part of a Masters research project looking into the experience of racial microaggressions in general of living in Australia (not specific to life on campus) and how this impacts your life and wellbeing.***

***Click the link below to start the questionnaire and let us know what your experiences are.***
