In my 4 years at ECU Mount Lawley and the Western Australian Academy of Performing Arts (WAAPA), I never knew the structure of the ECU guild, who my representative were and what they could offer me as a student. I didn't even know there was an ECU guild office at Mount Lawley until late in my third year as a Music student.

To my knowledge, the ECU senate has not actively filled the available office space at Mount Lawley in my time as an WAAPA student and this needs to change. There has been very little representation from the senate for Mount Lawley students and almost non-existent collaboration with WAAPA students.

I have put myself forward for multiple positions withing the ECU guild senate in the hope that this will change. No more will Mount Lawley and WAAPA be misrepresented and forgotten. Students will know that the guild exists and actually utilise the facilities and services available at all campuses.

I have personally been helped with academic and other issues in the past by my WAAPA guild representative and the guild student assist officers. I know that I am not alone regarding my university problems, and if more students were to engage with these free services offered by the ECU guild, then the whole of ECU will be better for it.

Let's not leave behind the Mount Lawley campus or WAAPA. Change is a good thing. Let me be your conduit for change for 2022 ECU guild senate.

GENERAL ELECTION 2021

--------------------------------	-------------------------------

**CANDIDATE:****Faizan AKRAM****GROUP:****Inspire****Mob: 0426 144 151****Email: mfakram@our.ecu.edu.au**

I am Faizan Akram and I am running to be your 2022 ECU Student Guild President. I am your current ECU Student Guild President. I have graduated from Bachelors of Civil Engineering Technology here at ECU and am now pursuing a Bachelor of Civil Engineering (Hons). INSPIRE and I have the institutional knowledge and experience to be the best advocates for you.

I am proud to be running to be re-elected with the INSPIRE team which are a diverse group of domestic and international students. I have been involved with the Guild from 2018 as General Senator, Vice President Equity & Diversity and President in 2021. I am proud to say that INSPIRE has changed the Guild a lot over the years with more student focused approach. After 4 years of INSPIRE we have made the ECU Student Guild reach its full potential. Recent surveys show that the ECU Student Guild was the most recognisably identified Guild's in Student satisfaction.

I am committed to following through with the ECU Student Guild 2020-2025 Strategic Plan of improving student life, increasing Guild membership and improving organisational standards.

INSPIRE will continue to host your favourite campus parties such as Toga, Halloween, and the Guild Ball.

INSPIRE has improved its relationship with the University overcoming previous years of toxicity and turmoil. Our working relationship with the University delivered real results during the COVID-19 Pandemic when the University increased our budget when INSPIRE lowered the SSAF in semester 1 of 2020. In 2021 we reactivated campus and delivered your campus favourite events like Multicultural festival, Guild fair and supporting other Party and Events parties.

INSPIRE also delivered new events like the Wellness Expo, National Careers Week, Cultural Connections Meet Up and the International Family Gathering. INSPIRE also doesn't forget its bread and butter issues like advocating for you during academic appeals, representing you on University Council and faculty boards. INSPIRE will continue to support clubs, societies and collectives on campus as they're the backbone of the ECU Student Guild. INSPIRE is apolitical and defending your education on campus and standing up against racism, sexism and homophobia. INSPIRE is trying to better represent you and update Guild processes. We created the First Nations Officer in 2020 and in 2021 we advertised for a sports representative to better connect the Guild with the various sporting groups on campus. We worked with University to endorse our Student volunteers by giving them Micro credentials.

The Guild best represents and fights for you when Guild staff have a safe, positive and enjoyable working environment. My utmost priority is to support your education at ECU and maintain strong campus culture at all 3 campuses. Give us the chance so we can discover the most valuable way to serve one another.

'INSPIRE, Putting ECU Students First.'

Hi, I am Sarah Rizwan, and I am running with team INSPIRE to be your 2022 ECU Student Guild General Secretary. INSPIRE is a team of highly motivated and dedicated individuals from diverse backgrounds working towards a collective goal of improving University life for students.

I have been a part of the Guild senate for the past year and have actively been working to promote the Guild and its resources to the students. I have taken every opportunity to frequently engage with the students and provide them with the required support. As the International Officer in 2021, I have been striving to obtain more scholarships for international students and will continue to work for the benefit of all students. I aspire to deliver the best services to students and create a great campus culture for everyone. I will endeavour to connect students across all 3 campuses.

Student representation is the key to healthy campus culture, and therefore, with immense pleasure, I would like to represent students as the General Secretary. If elected for the role, I will ensure that accountability and transparency are upheld to their best values. I will closely monitor the guild finances and ensure that the guild funds are utilised in the best possible way to enhance your university life.

As an experienced senate member, I have managed to follow through with governance and resolve issues efficiently, and I will continue to maintain a professional relationship with the operational staff of the Guild and the University while strategically planning for a better Guild.

I will commit to obtaining feedback from students in surveys and regular meetings to ensure that every student's voice is heard. I will ensure that my team is well inducted and capable of efficiently handling their responsibilities. I will lead my senators and advocate and create more inclusive events that target all demographics of students.

I will actively seek opportunities to expand the possibilities of the Guild in a way that creates more grants for students; focusing on generating commercial revenue, which will be invested in the best interest of students. I will ensure that the profits are returned to the students in one way or the other.

As a student myself, I want you to know that I hear you, and I will strive to advocate for you. The whole INSPIRE team, shares this common goal of being the best advocates for students and developing an environment that is open to continuous development and improvement. I can assure you that your concerns will be our top-most priority and we will always put our fellow students first.

I aspire to be a representative to the students, for the students, and by the students, and will be extremely delighted to be voted as the General Secretary for the upcoming senate term.

INSPIRE is 'Together, always for the better of students'.

I believe having a good social life as a student is important. As an extroverted person, I understand how to have fun while being committed to studying.

Therefore, I will make sure to organise the types of social events that students will actually want to take part in. I am also willing to start up clubs where a gap currently exists, for example there is a large geographic gap in cheerleading and I am hoping to solve this by starting a club at the Mount Lawley campus.

I am sure there are also other possible clubs which have a similar gap. I am happy to take everyone's suggestions of possible events and clubs.

Furthermore, I will be collaborating closely with all social and Sports clubs to ensure that ECU student life is as incredible by introducing more efficient methods of organising and managing events. My name is Scott Reynolds, I'm currently in my second year of a BSc Environmental Management and would like to run for the 2022 Guild Environmental Officer. My main aim is to provide a bridge between the hardworking staff in the ECU Environmental & Science departments and students who actively seek and take part in environmental programs. While studying I've found one the best ways to achieve academic success and personal wellbeing is to readily engage with both peers and staff in a professional and social context. Considering my background in the environmental sciences I have a desire to foster a student driven approach to environmental responsibility that not only assists in achieving sustainability goals set by the guild and university but also provide students with unique experiences that better engage them with sustainability concepts and ideas.

To those who know me from class, I'd say vote for me because I'm loud enough to provide meaningful representation.

To those who don't, I'm generally at the Tavern on Monday afternoons, come down and have chat.

**CANDIDATE:****Stephen ADKIN****GROUP:****Inspire****Mob: 0455 300 110****Email: sadkin@our.ecu.edu.au**

Hello, I am Stephen Adkin I am currently in my third year of studies. I am running to be a General Senator with the INSPIRE team for the 2022 ECU Student Guild. Due to the hard work of INSPIRE increasing the Guild's reputation, transparency and accountability INSPIRE was able to support hundreds of students during the COVID-19 pandemic.

Being part of the INPSIRE team provides me the opportunity to help students from different cultures and help them better access services of the Guild. I know how tough and stressful exams can be and I will advocate for a stress less week on all campuses like brining puppies for stress less week. I want to support students to deliver more free soup days and free coffee days. I want students to benefit form their SSAF as much possible. I will support social sport days and all sports clubs. My journey at ECU has already been more enriching after knowing what the Guild can provide and support through our wonderful Guild Student Assist officers. I will do what I can to support the Guild Strategic Plan for 2020-2025.

Vote [1] Stephen Adkin for 2022 General Senator.

Vote [1] Faizan Akram for 2022 ECU Guild President.

Vote [1] INSPIRE for 2022 ECU Student Guild.

In my 4 years at ECU Mount Lawley and the Western Australian Academy of Performing Arts (WAAPA), I never knew the structure of the ECU guild, who my representative were and what they could offer me as a student. I didn't even know there was an ECU guild office at Mount Lawley until late in my third year as a Music student.

To my knowledge, the ECU senate has not actively filled the available office space at Mount Lawley in my time as an WAAPA student and this needs to change. There has been very little representation from the senate for Mount Lawley students and almost non-existent collaboration with WAAPA students.

I have put myself forward for multiple positions withing the ECU guild senate in the hope that this will change. No more will Mount Lawley and WAAPA be misrepresented and forgotten. Students will know that the guild exists and actually utilise the facilities and services available at all campuses.

I have personally been helped with academic and other issues in the past by my WAAPA guild representative and the guild student assist officers. I know that I am not alone regarding my university problems, and if more students were to engage with these free services offered by the ECU guild, then the whole of ECU will be better for it.

Let's not leave behind the Mount Lawley campus or WAAPA. Change is a good thing. Let me be your conduit for change for 2022 ECU guild senate.

Email: sreynol9@our.ecu.edu.au

My name is Scott Reynolds, I'm currently in my second year of a BSc Environmental Management and would like to run for a position as General Senator for 2022 in the Guild. My main aim is to provide a bridge between the hardworking staff in the ECU Environmental & Science departments and students who actively seek and take part in environmental programs. While studying I've found one the best ways to achieve academic success and personal wellbeing is to readily engage with both peers and staff in a professional and social context. Considering my background in the environmental sciences I have a desire to foster a student driven approach to environmental responsibility that not only assists in achieving sustainability goals set by the guild and university but also provide students with unique experiences that better engage them with sustainability concepts and ideas.

To those who know me from class, I'd say vote for me because I'm loud enough to provide meaningful representation.

To those who don't, I'm generally at the Tavern on Monday afternoons, come down and have chat.

Vote Scott Reynolds for General Senator.

Hi, I am Rizly Abdue, and I am running with team INSPIRE to be your 2022 Student Guild General Senator. Guild is an integral part of our university, and I would be contented to be a part of it and support students.

I am an optimistic, approachable, and motivated person who is eager to work for the students and help in any way possible. Being an international student, I relate to you, and I would promote more multicultural events and activities which would help in integrating different cultures and students across all ECU campuses.

As a current ECU student, I am aware of how stressful assignments and exams can get, so, I will encourage de-stress events on campus. I want all the students to have a fulfilling University life and would contribute to enhancing their experience in every way possible. I will try my best to ensure that everyone can utilise the resources and help available to them. My journey at ECU has been incredible so far and I would want the same for you!

I am Mohit Raman and I am studying Mechanical Engineering. I am running to be your 2022 ECU Student Guild International Officer. INSPIRE formed to stand up for all students. INSPIRE has a strong record defending international student rights on campus.

INSPIRE stopped the 2018 changes that would have prevented international students from participating in top positions in the Guild. In 2019 we increased the International Student budget and provided more events. In 2020 during semester 1 we provided grocery grants for international students effected directly by the COCID-19 pandemic. We advocated for the removal of late fee for tuition and reduction in SSAF for semester 1 2020 during that directly affected international students on campus.

In 2022 INSPIRE will continue your favourite international student events like the My International Student Day. We will continue to run International Cricket Sports Day, Peace Walk, Colour Festival, Chinese New Year, Food Festival, and the Multicultural Festival. INSPIRE is one of the most diverse and multicultural teams for you. INSPIRE will set up the international student committee to raise issues facing international students with these unprecedented times. We will change the affiliation policies so cultural campus groups affiliate to the International Student Committee.

I am Muhammad Bilal Shaikh and I am running with INSPIRE to be your 2021 ECU Student Guild Postgraduate Officer. I am here to represent the postgraduate voices across the campus. As the economy is recovering from the pandemic, I would like to make the student life experience enjoyable and rewarding. I will work with the Guild to reintroducing many of the lost social events and networking opportunities back to campus. As a postgraduate student, I have realised that being at university is not only for gaining knowledge, but also for the holistic development of the student.

I am experienced University Council member for the term 2020-2021 and have attended various flagship university governance conferences across the country. This gives me deeper understanding about issues faced by post-graduate student and which strategies work which do not work in different contexts.

I would advocate for activities that support the mental health and wellbeing. I will organize regular networking events for ECU postgrad student, industry focused workshops and work closely with the graduate research school (GRS) in promoting other skills and socializing. Ultimately, I want to increase representation for the postgraduate community. As your postgraduate officer, I would establish some ideas and networking events to connect postgrad students and to enhance the intellectual framework on campus.

**CANDIDATE:****Amber HSI ASIF****GROUP:****Inspire****Mob: 0499 740 051****Email: ahsi@our.ecu.edu.au**

My name is Amber Hsi, and I am a proud Mineng Boodja woman. I am proud to run with Inspire who recognised Indigenous students needed a voice. I have been the First Nations Officer on the ECU Student Guild since August 2021 and am hoping to advocate and fight for Aboriginal and Torres Strait Islander students into 2022.

I believe I have the commitment and passion needed to stand up for Aboriginal and Torres Strait Islander students at ECU. Having attended ECU for the past two years I would like to see greater acknowledgement and celebration of Indigenous culture in the Guild and the university.

During my time on the ECU Student Guild, I have worked hard to engage with Indigenous students to participate in the University's response to Indigenous matters. Some ways I have achieved this is by assembling a team to participate in the Western Series Indigenous Games and by attending the Aboriginal and Torres Strait Islander strategic plan workshop 2022-2026.

I have existing experience in this role and excited to introduce several ideas to implement in the future. I will host more social events for Indigenous students, hold cultural awareness events more frequently across campuses, and advocate on behalf of Aboriginal and Torres Strait Islander students to address issues at ECU.
