Mob: 0487 384 647

Email: srizwan@our.ecu.edu.au

Hi, I am Sarah Rizwan, and I am running to be your 2023 ECU Student Guild President with team INSPIRE. I am the current General Secretary. INSPIRE is a team of highly motivated and dedicated individuals from diverse backgrounds working towards a collective goal of improving University life.

I have been a part of the Guild senate for the past two years and have actively been working to promote the Guild and its resources to the students. I am proud to say that INSPIRE has changed the Guild a lot over the years with more student focused approach.

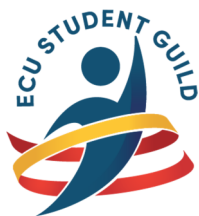

INSPIRE will continue to host your favourite campus parties across 3 campuses.

INSPIRE has improved its relationship with the University. Our working relationship with the University delivered real results during the COVID-19 Pandemic. In 2022, with the reopening of borders, we reactivated campus and delivered your favourite events on campus like Guild Fair, weekly sundowners, etc. INSPIRE also delivered new events like the National Careers Week, Cultural Connections Meet Up and the International Family Gathering. INSPIRE also doesn't forget its bread and butter issues like advocating for you during academic appeals, representing you on University Council and faculty boards. INSPIRE is apolitical and defending your education and standing up against racism, sexism and homophobia.

In 2021, we undertook a review of the existing Senate structure and reviewed the gaps in provision across previous years. We identified that there was a need for the Guild to develop the governance and leadership structure to support its continued growth and to formalise the roles of Senators to ensure consistency and support across all areas of the Guild. The amendments to the Constitution provide a clearer governance and leadership structure.

Hi, my name is Dave Jallah.

This year I'm really excited to be running with REBUILD for ECU Guild.

I believe that ECU Guild needs to do more to defend education, look after student welfare and address the issues important to students.

As a culturally and linguistically diverse mature student who has recently enrolled in ECU, I can see that there is a lack of adequate information and resources available to students, making it very difficult to adjust. If elected, I will fight for this to change.

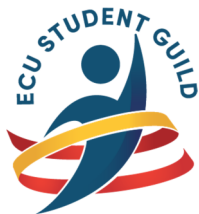

I am passionate about delivering meaningful academic reform to benefit all ECU students. I believe that every ECU student should have equitable access to resources, regardless of their circumstances.

I strongly value and will present Student Guild continuously advocating for consistent and quality education across everywhere on campus discipline. A REBUILD-led Guild will advocate and represent your voice to ECU next year 2023.

Hi,

I am Sadaf Darab, and I am running with team INSPIRE to be your 2023 ECU Student Guild General Secretary. INSPIRE is a team of highly motivated and dedicated individuals from diverse backgrounds working towards a collective goal of improving University life for students.

As an experienced senate member, I have managed to actively take part in student engagement and campus culture across all three campuses. As the Social Officer in 2021, I have advocated for students by planning various new events and activities and promoting the Guild and its resources to them. I aspire to deliver the best services to students and create a great campus culture for everyone.

Student representation is vital to a healthy and happy campus culture, and therefore, with immense pleasure, I would like to represent students as the General Secretary.

If elected for the role, I will actively seek opportunities to expand the possibilities of the Guild in a way that creates more grants for students. I will ensure that the profits are returned to the students in one way or the other. I will ensure that accountability and transparency are upheld to their best values.

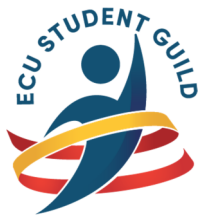

As a student myself, I want you to know that I hear you, and I will strive to advocate for you. The whole INSPIRE team, shares this common goal of being the best advocates for students and developing an environment that is open to continuous development and improvement.

I aspire to be a representative to the students, for the students, and by the students, and will be extremely delighted to be voted as the General Secretary for the upcoming senate term.

INSPIRE is "Together, always for the better of students".

Hello! I'm Saifur Rahman, an International Postgraduate Engineering student.

I want to play an active role on behalf of International students at ECU. I do believe I'm a suitable candidate for this position (Vice President International) as throughout my College and University (Undergraduate) period, I was part of the Student Representative Council and was involved in all the functions and events.

After spending almost 2 semesters here as an International student, I know the true struggles of students when they come to an unknown place for the first time.

I am passionate about improving and expanding the facilities and opportunities offered to the students of ECU and I feel ECU can offer students more opportunities to be involved in social clubs, activities and events.

I will unite all the international students in the campus. A thousand voices asking for one thing are the most effective ones!

I would appreciate your vote for me, SAIFUR RAHMAN, to serve on the ECU STUDENT GUILD on behalf of International Students.

Hi, I am Rizly Abdue, and I am running with team INSPIRE to be your 2023 Student Guild, Vice-President International. Guild is an integral part of our university, and I would be contented to be a part of it and support international students.

I am an optimistic, approachable, and motivated person who is eager to work for international students and help in any way possible. Being an international student, I relate to you, and I would promote more multicultural events and activities which would help in integrating different cultures and students across all ECU campuses.

INSPIRE stopped the 2018 changes that would have prevented international students from participating in top positions in the Guild. In 2019 we increased the International Student budget and provided more events. In 2020 during semester 1 we provided grocery grants for international students affected directly by the COVID-19 pandemic. We advocated for the removal of late fees for tuition and reduction in SSAF for semester 1 2020 that directly affected international students on campus.

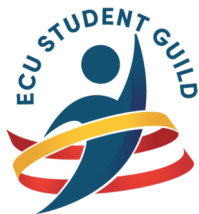

I want all international students to have a fulfilling University life and would contribute to enhancing their experience in every way possible. I will try my best to ensure that everyone can utilise the resources and help available to them. My journey at ECU has been incredible so far and I would want the same for you!

INSPIRE will set up the international student committee to raise issues facing international students in these unprecedented times. We will change the affiliation policies so cultural campus groups affiliate with the International Student Committee.

Hello, I am Sarah Staker and I am ready to move forward with inspiration and be voted in as your ECU Guild Sports Officer for 2023.

In the last few weeks, I have been appointed this role and have loved every moment of it. In this time, I have made many connections in and around the role, brought positive energy, learnt lots and hope to continue this though to next year.

When I Started at ECU in 2019, I had a very different plan, however since changing degrees and finding the sporting community at ECU in 2021 my outlook and plan has developed. The sporting community at ECU has given me many opportunities and to spread that to more people would be so beneficial.

I hope that like myself the sporting community at ECU will offer current and new students in 2023 an amazing opportunity for social competitions, national events and lifelong friends. In order for this to happen I believe that I am a great fit to ensure that everyone who is interested in sport at ECU can be involved.

I am a positive, encouraging person and plan to grow the sporting community in a way that will continue to inspire and develop Sports at ECU.

As the economy is recovering from the pandemic, I would like to make the student life experience enjoyable and rewarding. I have attended various flagship university governance conferences across the country and has worked with my colleagues from other universities to raise at university, state and federal level. My experience gives me deeper understanding about issues faced by post-graduate student and which strategies work which do not work in different contexts.

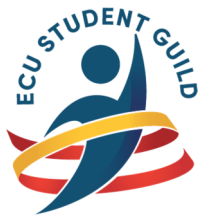

I would advocate for activities that support the mental health and wellbeing. I will organize regular networking events for ECU postgrad student, industry focused workshops and work closely with the graduate research school (GRS) in promoting other skills and socializing. PENDING ELECTED UNOPPOSED

**CANDIDATE:****Beatrice CHERONO****GROUP:****Inspire****Mob: 0415 843 460****Email: bcherono@our.ecu.edu.au**

My name is Beatrice and I am excited to be running with INSPIRE to represent you as ECU Student Guild Environmental Officer for 2022. I am passionate about creating a more sustainable campus and university experience for all of us.

I believe there are many approaches towards a more sustainable campus. If elected I will focus on awareness around environmental issues and sustainability, action to reduce waste and promote sustainable solutions, and advocate for more sustainable practices across all areas of the university.

If elected I will;

- Work with students, staff and the university to reduce waste on campus
- Continue to advocate for reusable coffee cups at all outlets and maintain the Guild's free coffee days
- Run environmental events such as Clean Up Australia Day and Earth Day
- Implement a 'Containers for Change' program on campus to help support clubs
- Advocate for ECU to divest from its fossil fuel investments

'Together, always for the better of students'
