Inspire

Mob: 0487 384 647

Email: srizwan@our.ecu.edu.au

Hi, I am Sarah Rizwan, and I am running to be your 2024 ECU Student Guild President with team INSPIRE. INSPIRE is a team of highly motivated and dedicated individuals from diverse backgrounds working towards a collective goal of improving University life.

Throughout my three years in the Guild Senate, I've served in various roles, including General Senator, International Officer, General Secretary, and I'm currently the President. My focus has always been on promoting the Guild and its resources to benefit students. INSPIRE has brought about significant positive changes, emphasizing a student-centred approach.

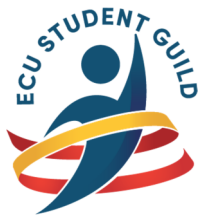

We've built a strong relationship with the University, yielding tangible results during critical times like the COVID-19 pandemic, reopening of borders, and welcoming more international students. We've revived the campus and hosted beloved events like Guild Fair, parties, workshops, and introduced new ones like weekly chill-outs, which have been an incredible way to engage with the student body. INSPIRE also doesn't forget its bread and butter issues like advocating for you during academic appeals, representing you on University Council and faculty boards. INSPIRE is apolitical and focused on doing what's best for ECU students.

My contributions have improved the Guild's policies and structure, and I'm committed to upholding the highest standards of transparency and accountability in our daily operations. This year, we were successful in securing grants for international student events and UniSports financial assistance. My team and I have worked tirelessly to bridge gaps and support students in every possible way. We're committed to continuous improvement, making the Guild a place where all students feel supported, respected, and heard.

I want every student to know that your concerns are important, and my team and I will spare no effort in supporting you through your challenges. My time at the university has been fulfilling and I would like to serve the students of ECU, once again, for the last time before I finish my journey here.

Hi, my name is Courtney Marshall, and I am running to be your 2024 South West Officer with team INSPIRE. I am a Bachelor of Primary Education student and commenced the Guild role in May/June of 2023. My goal has been to reinstate the community atmosphere in the South West (SW) and provide opportunities for students to come together to build meaningful relationships with each other.

Our students in the SW have a voice but, it has been so long since they have been heard and I would like to continue to advocate and provide services to them! In recent years, the SW students have missed out on the 'University Experience' due to our location. It is my hope that by continuing in this role, students are encouraged to stay in the SW because someone is here catering for their needs outside of academics.

Because of the relationships which have already been built in 2023, students have seen a few successful social events organised and bread donations made weekly from local organisations. It is my hope that in 2024 these services can continue and will grow to encourage students to utilise the beautiful campus we have available to us in the SW.

Let's make sure together we don't continue to miss out on opportunities just because we live in the South West!
